1. Refer to the photo for color placement. Use 6658-40, 7585-20 and 6648-19 to foundation piece the half-star blocks. Make a total of 10 half-star blocks.

2. Refer to the manufacturer's instructions for fusible web. Fold the 6648-55 squares in half both ways and crease. Use the creases to position and center six 2045-15 snowflake appliques. Fuse in place. Use matching thread and a machine blanket stitch to applique the snowflakes in place. Center the snowflakes and trim the blocks to 6 1/2" square. Repeat to make 18 snowflake blocks.

3. Sew three 7582-10 2 1/2"-wide strips together. Cut into two lengths 42 1/2" long. Sew one to opposite sides of the panel.

4. Sew five half-star blocks together to make border 2. Repeat to make two borders. Sew to opposite sides of the panel.

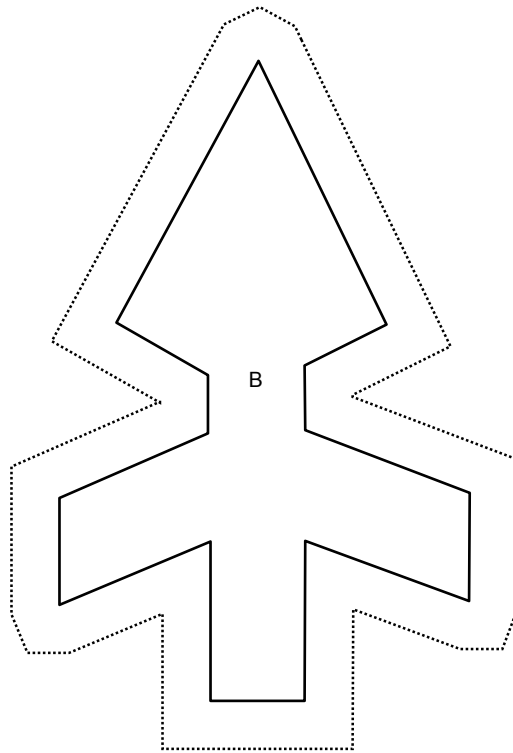

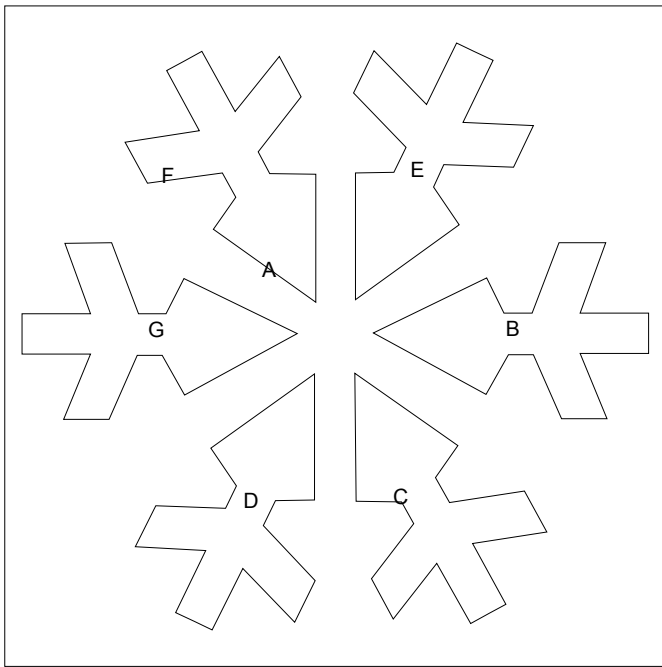

5. Sew four snowflake blocks and five 6648-55 5" x 6 1/2" rectangles together alternately, beginning and ending with a rectangle. Trim 2 1/4" from each end of the border so that it measures 6 1/2" x 42 1/2" long. Make two side borders.
6. Sew five snowflakes blocks and four 6648-55 5" x 6 1/2" rectangles together alternately, beginning and ending with a snowflake block. The border should measure 48 1/2" long. Make two top/bottom borders.
7. Sew the side borders to opposite sides of the quilt top followed by the top and bottom borders.
8. Layer and baste together the backing, batting and quilt top. Quilt as desired. Bind with 7582-10-2 1/2"-wide strips.
