Backing Assembly for Table Topper

24. Sew the two 71" x WOF strips together and trim to make one 71" x 71" backing piece.

Layering, Quilting & Finishing Option #1 for Table Topper, Table Runner and Place Mats

25. Press the quilt top (Runner or Place Mat) and backing well. Layer backing (wrong side up), batting, pressed quilt top (right side up) and baste. Quilt as desired. NOTE: Make sure to leave 1" edge of the quilt top un-quilted to make it easier to finish the edges.

26. Trim the batting and backing even with the edges of the quilt top. Now carefully trim the batting a ¼" shorter than the backing and top.

27. Press the quilt top edges over and around the batting.

28. Press the backing fabric in a ¼" so it even with the quilt top/batting edges. Pin the three layers together and top stitch around the edges to complete the quilt top.

Layering, Quilting & Finishing Option #2 for Table Topper, Table Runner and Place Mats

29. Place the quilt back and quilt top right sides together. Place the layered pieces on top of the batting. Make sure the quilt top is on top. Using a ¼" seam allowance sew around the edges of layered pieces following the edges on the quilt top. Leave an opening for turning.

30. Turn the quilt right side out and press. Baste the three sewn layers together. Quilt as desired. Topstitch around the outer edges of the quilt.
