Road Trip Instructions

*All seam allowances are 1/4” unless otherwise stated. Please read instructions all the way through before beginning.*

Instructions:  *WOF=* Width of Fabric

1. Organize 39-strips into 13 sets of strips with 3 strips in each set. The key is to group sets with different colors, values and prints so you don’t have duplicates in a set and an even distribution of color.

2. Take each set of 3- strips and sew 3 strips together to create 13 strip sets.

Cross cut 6 – 6 1/2” strip sets. Cut six blocks out of each strip set. Cut 76 total blocks.

3. Using 42 blocks created in step #2, sew blocks together following diagram below. The key is to group blocks with different colors, value and prints so you don’t have duplicates next to each other and an even distribution of color.
