Assembly:

There are 2 different blocks in this quilt.
Block size is 12½" (finished size – 12")

BLOCK 1

1. Use the 60 – 3½" x 6½" cream with berries rectangles and the 120 – 3½" black with colored dots squares to make flying geese blocks as shown below. Sew the black squares onto the ends of the cream rectangles on the drawn diagonal line. Cut away excess fabric and press open.

2. Using the flying geese blocks made in step 1, 15 – 6½" black with all-over floral squares, and the 60 – 3½" green with berries squares, make 15 blocks as shown.

BLOCK 2

3. Use the 60 – 3½" x 6½" yellow with black dots rectangles and the 120 – 3½" red squares to make the flying geese blocks as shown below – 15 of each of the 4 different color combinations shown below.

4. Using the 30 – 4" black with colored dot squares and the 30 – 4" cream with all-over floral squares, make half square triangle blocks as shown. Layer a black and floral square right sides together then sew on both sides of drawn diagonal line, cut apart on line, press and trim finished half square triangle blocks to 3½".

5. Using the flying geese blocks sewn in step 3, the half square triangle blocks sewn in step 4, and the 15 – 6½" fussy cut squares, sew 15 blocks as shown below.

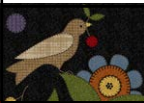

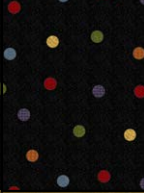

6. Now sew the quilt together alternating blocks and arranging the center motif as pleases you.
