- Backing: 1/2 yd of Do What You Love quilting cotton in 2241502 #1

OTHER TOOLS & SUPPLIES

- 18" square pillow form
- basic sewing supplies
 - sewing machine
 - iron & pressing surface
 - scissors & fabric shears
 - measuring tape
 - pencil/fabric marker
 - straight pins
 - coordinating thread

NOTES

- Please wash, dry & iron your fabric before beginning, and trim selvages.
- Unless otherwise directed, sew all seams with a 1/2" seam allowance.

1. Cut (1) 19" square from your Front fabric.

2. Cut (2) 19" wide x 15" tall rectangles from your Backing fabric.

2. Fold & press a 1/4" hem along the bottom edge of (1) Backing piece, Wrong Sides together. Fold again to make a 1/4" rolled hem; topstitch the hem 1/8" from the folded edge.

Repeat along the top edge of the remaining Backing piece.

3. Place your (2) backing rectangles on the pillow front, Right Sides together, so that the backing pieces' rolled hems are overlapping at the center of the pillow. Pin in place.

4. Sew the pillow backing to the pillow front around all (4) sides, backstitching at the beginning & end of the seam, and at the (4) points where the seam passes over one of the rolled hems (for extra strength).

5. Clip your corners and press your seams open.

6. Turn the pillow cover Right Side out through the gap between the Backing panels. Poke out the corners, press the edges lightly and fit it over your pillow form.
