MAYWOOD  STUDIO

Instructions

1. Sew the 5" x 5" charm squares together into five rows as shown below. Press the seam allowances in the direction indicated by the arrows.

2. Sew the first four rows together. Press the seam allowances open.

Sew the Fabric 7 strip and the last row of charm squares to the rest of the quilt top. Press seam allowances open.

3. Prepare the Cuddle Bug appliques using your favorite technique.

For the face & antennas use backstitch and fill stitches with 3 strands of black floss.

4. Applique the circles and words to the quilt top using the picture on the cover of this pattern as a guide.

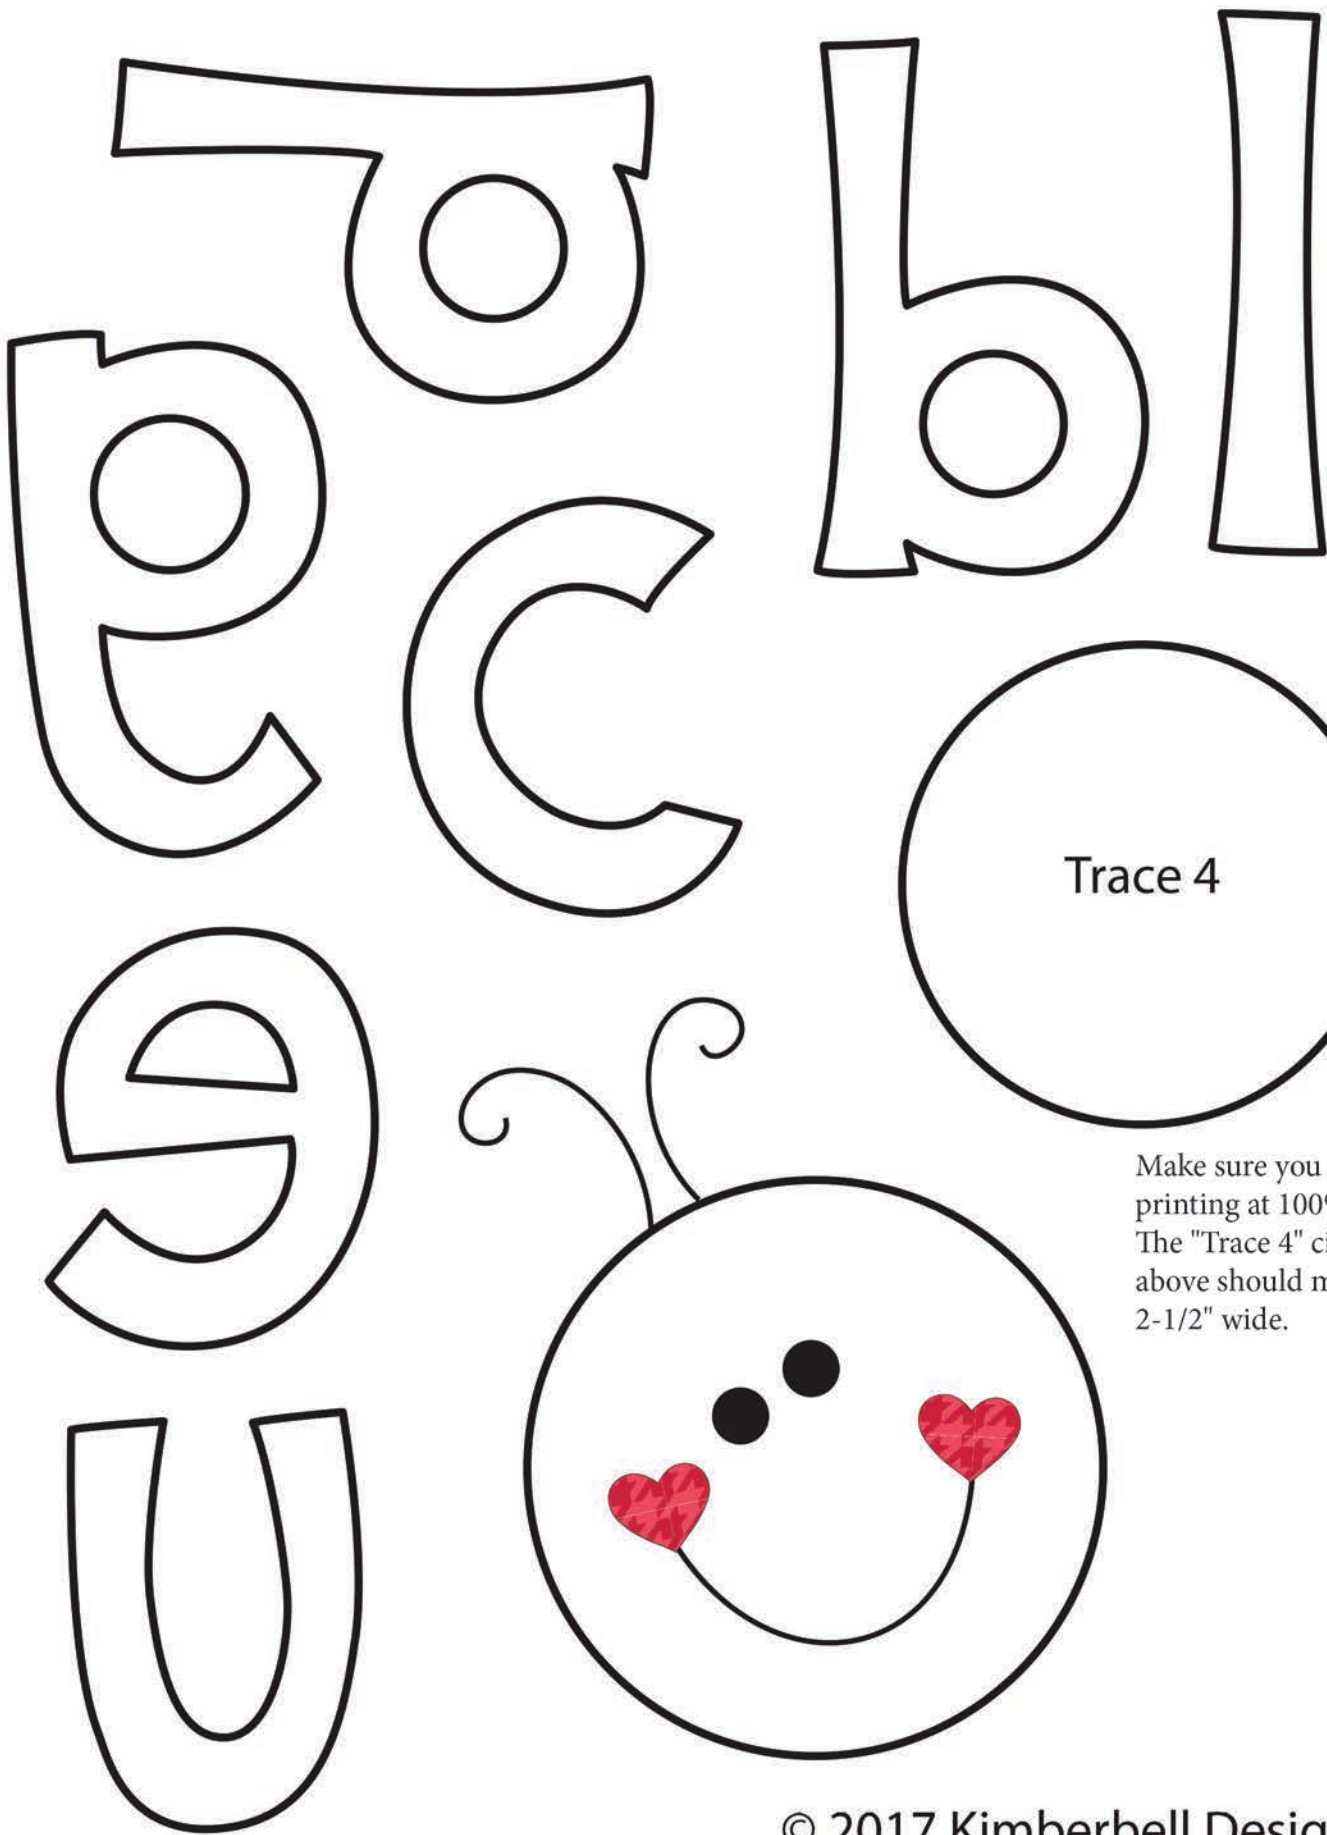

5. Measure the length of the pieced quilt at the center. Trim two of the inner border strips. Sew to the long sides of the quilt. Measure the width of the quilt at the center of the top. Cut the remaining two strips into that measurement. Sew one to the top and bottom of the quilt. Press toward the border.

Repeat this process for the toward outer border.

6. Layer the quilt back, batting and quilt top together. Baste to secure layers. Quilt as desired.
7. Sew the binding to the front of the quilt, mitering the corners. Turn the binding to the reverse side of the quilt and stitch down by hand with matching thread (or use your favorite binding method.)

Trace 4

Make sure you are printing at 100% scale. The "Trace 4" circle above should measure 2-1/2" wide.
