Autumn Bounty Quilt

Introducing Andover Fabrics new collection: **GIVE THANKS** by Kim Schaefer

Quilt designed by Kim Schaefer

Quilt finishes 60" x 84"

Block size: 12" x 12"

Pumpkins, sunflowers, and fall leaves are the focus of this colorful throw. The easy-peasy piecing makes this perfect for someone's first full-size quilt project. For anyone who enjoys playing with fabrics, the pattern allows total freedom in choosing the combination for each block.

Cutting Directions

Note: Read assembly directions before cutting patches. All measurements are cut sizes and include 1/4" seam allowances. WOF designates the width of fabric from selvedge to selvedge (approximately 43" wide).

Making the Quilt

1. The blocks are scrappy, so feel free to substitute prints to make combinations as you wish. Generally, the center square and 2 1/2"-wide outer strips are cut from the big prints. However, feel free to alter that. The 1 1/2"-wide strips are mostly cut from the small prints. Choose 4 prints for each block, keeping in mind that most blocks are made with a combination of light, medium, and dark prints. If you prefer to make the quilt as shown, refer to the quilt photograph for fabric placement.
2. Referring to the Block Diagram, sew the strips around the center square. Press all seam allowances away from the center. The block should measure 12 1/2" square from edge to edge. Make 35 blocks.
3. Referring to the Quilt Diagram, arrange the blocks in 7 rows of 5 blocks each. Be careful to distribute the prints so that no fabric touches itself. Once you are satisfied with the arrangement, join the blocks into rows. Press seam allowances between blocks in opposite directions in alternating rows. Finally, join the rows. Press seam allowances between the rows in one direction or open.

Block - Make 35

Finishing the Quilt

4. Layer the quilt with batting and backing and baste. Quilt in the ditch around patches. Quilt around the printed motifs as you wish. Or, quilt an overall pattern from edge to edge. Bind to finish the quilt.
